

# Conductive Education Bristol

Spring/Summer Newsletter 2017

## **Superhero CE Awareness Week**

In March, we celebrated Conductive Education Awareness week in superhero style. We raised over £5550 during our Superhero CE Awareness week in March.

Amazing Well done to Amelie who attends our Bristol Primary group who set herself the massive challenge of climbing Brent Knoll! Family, friends and businesses got behind her and she raised just over £4400!

Thank you to the following nurseries and hotels for their support

Charlton Nursery Wrexall

Nottinghill day nursery Axbridge

Holiday Inn Express Glasgow Riverside

Holiday Inn Express Glasgow Stirling

Holiday Inn Manchester Salford Quay

Our children enjoyed dressing up and taking part in Superhero games and activities in group and are already enjoying using the new switch activated toys. Siblings also enjoyed joining in some Easter egg hunting fun in our Bristol groups.

## Summer Adventures

Over the summer holidays we had an actioned packed timetable for activities for the children and their families to enjoy, from Camping and Activities at Avon Tyrrell in the New Forest, Forest school at Goblin Combe, Sports Day and Water fight and a trip to Cotswold Wildlife Park.

Fun was had by all at our Sports day and Water fight, we had great fun testing out our switch adapted water guns, Imogen won the soggiest competitor, and Harley won the most giggles for the day. The Bristol V High littleton Water fight was a great success with The High Littleton Group winning.

We were very lucky to be able to offer our first CE Bristol camping trip to Avon Tyrrell in the beautiful new forest location thanks to the UK Youth bursary team who helped fund the trip, Everyone was willing to give everything a go while there, from Camping, Climbing and Canoeing/Kayaking. We enjoyed a great camp BBQ and toasting marshmallows at the end of the day with all the families. It was a great experience for all the children and families which gave them a chance to try so many things in an accessible setting.

Fun with Mikes Donkeys

Forest School Adventures at Goblin Combe.
